DIENER'S FALL PRICE LIST

1926

This list is sent to our customers who have our descriptive catalog.

TERMS: Cash with order. Seed orders are sent prepaid. Gladiolus bulbs are prepaid if the order amounts to not less than \$2.00. All other stock by Express Collect, unless shipping costs are included in the order.

NON-WARRANTY: While we exercise the utmost care to have our stock true to name, we give no warranty, expressed or implied, as to crop, and will not be responsible for results, other than to replace stock not true to name. For conditions under which we will replace bulb stock not true to name, refer to our last descriptive catalog.

GLADIOLUS BULBS

The price quoted on gladiolus bulbs is for full size single bulbs.

For the rate per dozen, multiply the unit price by ten. Half size

bulbs are priced at one-half of the full size rate. One-quarter size bulbs are priced at one-quarter of the full size rate. Quantity prices and prices

for bulblets will be quoted on application.

We consider those varieties marked with a star to be our most valuable commercial varieties.
